Bailey Library: 1st Floor

Note: Bound journals and government documents are kept in the basement of the library, which is temporarily off-limits to students. Library personnel will be happy to retrieve bound journals or gov. docs for you: just ask!
Bailey Library: 2nd Floor

Two points of interest on the 2nd Floor include the Instructional Materials Center and the Library Classroom. When instruction sessions are not being conducted in the Library Classroom, it may be open as a computer lab.
Bailey Library: 3rd Floor

Please be advised that the 3rd Floor of Bailey Library is designated as the Quiet Floor—please be respectful of those that would prefer to work quietly. Violators may be asked to relocate to another floor.
